Applying Revelation 10: Three Blessings

1. The blessing of submissive _____

2. The blessings of spiritual _____

3. The blessing of supernatural _____

QUESTIONS FOR LIFE GROUPS AND PERSONAL REFLECTION:

Personal Life:

1. Revelation 10 is an interlude where the Apostle John is affirmed as a prophet of God about to pronounce the final judgments upon planet earth during the last half of the Tribulation. Each of us has a unique role to play in the kingdom of God and the spread of the gospel. Have you ever considered God's unique call on your life in whatever part He's equipping you to play? What does that look like in your life? Discuss...

Ponderings:

2. In the weekend message, three application points were discussed, the first of which is **the blessing of submissive obedience** to God. John could have forfeited the blessing of his role in Revelation had he allowed fear to prevent him from taking the scroll for the mighty angel. Can you think of a time when God was calling you to obey Him and you allowed (or almost allowed) fear, doubt or some other hesitation to stop you? Discuss...
3. The second application we discussed was **the blessing of spiritual understanding**. John was told to eat (digest) the words of the scroll). In what specific way(s) has a deepened understanding of God's Word transformed your way of seeing and responding to reality? Discuss...
4. The third application in the weekend message was **the blessing of supernatural purpose**. It was after John obeyed and digested the scroll that he received his commissioning as a prophet of God to declare the final judgments of the Tribulation. How is it possible to walk in today's world with a deep sense of supernatural purpose as an ordinary, everyday person? Discuss...

Promptings:

5. Of these three applications, which is the area you feel least adequate for or confused about in your own life? What actions might you take to press into discovering that specific blessing more fully?
